Dear ROHIT BALASO PAWAR,

We are excited to offer you the opportunity to participate Python Programming Internship from The Website makers. This program is designed to provide you with hands-on experience and also providing guidance on job search and resume building.

The internship will last for 1 Month and will be compensated with incentives based on your performance. During the internship, you will work closely with our team of experienced Developers. You will also have the opportunity to participate in client meetings and gain valuable insights.

In addition to technical skills, we will provide guidance on job search and resume building to help you prepare for your career after the internship. We believe that this experience will give you a competitive edge in the job market and help you achieve your career goals.

Best regards,
A Raju
